## **DECLARATION**

### **(Packaging Compliance with Directive 94/62/EC)**

**Italtronic** declares that the cardboard used for the packaging of its products comply with the requisites of **European Parliament and Council Directive 94/62/EC of 20 December 1994** on packaging and packaging waste with regard to the limit values set for the heavy metal content.

The cardboard machining processes do not provide in any way the use of heavy metals such as Lead (Pb), Mercury (Hg), Cadmium (Cd), Chromium 6 (Cr).
